

2025
TOPPS CHROME® FOOTBALL

The NFL is back with Topps—and it starts here.
Topps Chrome returns to the NFL.

Collectors can chase the league in Chrome, where premium design meets the thrill of the rip. This isn't just a comeback—it's the new home of NFL collecting.

2025 Topps Chrome Football introduces game-changing hits that redefine what football cards can be:

Rookie PREM1ERE Patch Autographs:

Real game. Real moment. These patches were worn by players the first time they suited up for an official regular-season NFL game, turning a rookie card into a true milestone. The kind of pull that becomes the centerpiece of a collection.

Topps Chrome Autographs:

Where the game's biggest names meet iconic Chrome shine. Featuring a dynamic mix of rookies, superstars, and legends, these coveted autographs are amplified by the full Chrome rainbow—including ultra-rare, low-numbered parallels built for the ultimate chase. Look for signatures from Tom Brady and Barry Sanders, current stars like Josh Allen and Jahmyr Gibbs, and rising talent such as Jaxon Dart and Tetairoa McMillan.

Fan-favorite inserts like Helix, Ultra Violet, Radiating Rookies, and Fanatical also return to the spotlight, joined by bold new football debuts like Kaiju and Game Genies.

Every pack brings a new look, a new energy, and a new shot at hitting something unforgettable.

2025 Topps Chrome Football isn't just back. It's built for the next era of the Hobby.
