The background is a vibrant, futuristic space scene. It features a deep blue and purple cosmic backdrop filled with stars and glowing nebulae. Several bright, jagged lightning bolts in shades of blue and white streak across the sky. In the foreground, there are stylized, metallic-looking orbital paths or rings. Along these paths, various celestial bodies are visible: a pink and white striped planet, a green planet, a large orange and yellow striped planet, and a grey, cratered planet resembling the Moon. The overall aesthetic is high-tech and sci-fi.
