BOWMAN BASEBALL

2026 Bowman Baseball marks the season's first prospect-focused release, unveiling a new Bowman design and setting the tone for the prospecting year ahead. Built around coveted 1st Bowman cards, Bowman delivers The Hobby's first look at baseball's next wave of stars.

The 100-card base set features established MLB stars and emerging rookies, alongside a 150-card Bowman Prospect set. Autographs from players across the checklist add another layer of depth to the release.

Returning favorites include Bowman Spotlights, Crystallized, and Etched-In Glass Variation. This year's Anime inserts include Kanji variations for Japanese players and select stars featured in their World Baseball Classic uniforms. New additions such as Patchwork, Electric Sluggers, and the Chrome® Prospect Packfractor Variation bring fresh energy to the lineup.

The Bowman Red Rookie Redemption also returns, featuring special short print Red RCs eligible for FanCash rewards tied to career milestones, beginning with MLB Rookie of the Year honors.
