

2026 SERIES 2

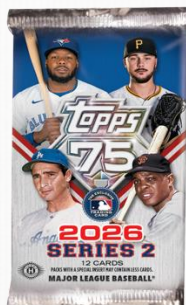

2026 TOPPS SERIES 2 BASEBALL

Series 2 is where the Topps Baseball season continues to unfold. As the second flagship release of the year, it builds upon the foundation established in Series 1 and advances the annual collecting narrative. While Series 1 introduces Opening Day rosters and the season's first rookie cards, Series 2 delivers the midseason update collectors crave, expanding the checklist and capturing the game as it evolves.

In 2026, Series 2 carries even greater significance as it continues a year-long celebration of the 75th anniversary of Topps Baseball. For generations, collectors have connected with the game through Topps cards – discovering rookies, chasing stars, and reliving iconic moments. Anniversary-themed inserts and design nods bridge the past and present, honoring the designs and players collectors grew up with while spotlighting today's game.

By combining the momentum of the midseason, the debut of key rookies, and newly signed stars in their latest uniforms, Series 2 delivers a meaningful continuation for new collectors and a nostalgic, must-have release for longtime fans committed to completing the full flagship run.
