2026 TOPPS MINT MARVEL

2026 Topps Mint Marvel celebrates the legendary characters and storytelling of Marvel Comics through a premium trading card release crafted for serious collectors. Launching with a convention-exclusive box at San Diego Comic-Con – which features 3 exclusive original art cards of Spider-Man, Hulk, and Punisher by Ian McDonald – the product combines striking artwork and innovative card designs to elevate Marvel's most beloved heroes and villains.

Anchoring the release is an expanded 125-card base set, featuring a broad lineup of characters from across the Marvel Comics universe. Printed on thick foil stock, the base set is divided into four collectible tiers, including Bronze (4 per pack), Silver (3 per pack), Gold (2 per pack), and the coveted Platinum Tier, where the most iconic characters are featured on cards numbered to 99 or less. The tiered structure creates multiple levels of rarity while offering collectors a variety of parallels and limited-edition cards to discover throughout the set.

2026 TOPPS MINT MARVEL

Among the product's standout inserts is ""Cerebro,"" a nostalgic tribute to the bold visual style of 1990's comic art and one of the most recognizable concepts in X-Men lore. In this 55-card Chrome set, encased and numbered to 99 or less, Professor X harnesses the full power of Cerebro to identify and track mutants and more around the globe. The visually striking ""Symbiote Takeover"" insert is a 30-card set spotlighting characters who have bonded with Marvel's infamous oozing organisms, from fan-favorite hosts to unexpected pairings, set against a design that is itself infected with the species. Also featured are Chrome Autographs of comic book artists and top actors from the Marvel Cinematic Universe, a cut signature of Stan Lee, and Comic Cut relics of Spider-Man – all 1-of-1's – from the webslinger's most iconic issues.

With its blend of premium materials, an extensive character lineup, and a wide array of collectible inserts, parallels, and autograph cards, 2026 Topps Mint Marvel pays tribute to the excitement, imagination, and enduring legacy of Marvel Comics.
